Education

Doctor of Philosophy, 2009, Ohio University, School of Communication Studies
Master of Science, 2005, Illinois State University, School of Communication Studies
Bachelor of Science, 2003, Marist College, Psychology-Special Education

Areas of Specialization

Health Communication

- the nexus of public perceptions of science, technology and medicine
- women's health, especially reproductive health, social media, motherhood, parenting
- practitioner-patient communication, medical expertise, fat pregnancy
- narrative and aesthetics approaches to health, disability and illness

Academic Experience

Professor of Communication, University of North Carolina at Charlotte, 2020-present.
Director, Interdisciplinary Program, Health & Medical Humanities, 2020-present.
Affiliate Faculty, Gerontology Program, 2020-present
Faculty Affiliate, Women's and Gender Studies, 2016-present.
Affiliate Faculty, Public Health Sciences Ph.D. Program, 2015-present.
Research Affiliate, Women + Girls Research Alliance, 2015-present.
Executive Board, Health Academy, 2015-2017.
Core Faculty, Interdisciplinary Health Psychology Ph.D. Program, 2010-present.
Faculty Associate, Center for Professional and Applied Ethics, 2010-present.

Assistant Professor of Communication, University of North Carolina at Charlotte, 2009-2014.
Core Faculty, Interdisciplinary Health Psychology Ph.D. Program, since Spring 2010.
Faculty Associate, Center for Professional and Applied Ethics, since Spring 2010.

Graduate Teaching and Research Assistant

Ohio University, School of Communication Studies, 2005-2009.
Illinois State University, School of Communication Studies, 2003-2005.

Special Education Teaching Assistant, Chatham (MA) High School and Elementary School, 2003-2005.

Honors and Distinctions

Research and Creative Activities Awards

National Recognition for Published Scholarship

- Three lead articles in national, peer-reviewed, refereed journals, 2019, 2018, 2010.
- Anita J. Taylor Articles of the Year Award, for articles in language and gender, 2011, 2013

National Awards for Creative Scholarship

- PBS Distribution: Documentary Film Award, Public Broadcasting Service (PBS), *Creative abundance*, National Education Telecommunications Association (NETA) Awards 2016-2019
- PBS Distribution: Documentary Film Award, Public Broadcasting Service (PBS), *a beautiful remedy*, National Education Telecommunications Association (NETA) Awards 2015-2018
- Creative Expression Award, Organization for the Study of Communication, Language & Gender (2018)
- NCA's Ethnography Division's Best Aural and/or Visual Ethnography Award (2017)
- Regional Emmy Award, National Academy of Television Arts & Sciences Emmy, Ohio Valley Chapter, Arts/Entertainment Award (2014)

National Top Paper Awards

- Outstanding Competitive Paper Award, Organization for the Study of Communication, Language & Gender (2017, 2023)
- National Communication Association's Disability Issues Caucus Top Paper Award (2011)
- National Communication Assn.'s Feminist & Women's Studies Top 3 Papers Award (2008)
- Central States Communication Assn.'s Basic Course Interest Group Top Paper Award (2005)
- National Communication Association's Lambda Pi Eta Division's Top Student Paper (2002)

University Research Awards

- College of Liberal Arts & Sciences Junior Faculty Development (2013). Patients' experiences with 'DooR to DooR,' an arts program in a hospital setting. Granted, Spring 2014.
- UNC Charlotte Health Academy Junior Investigator Award (2013). A university-wide competitive award to recognize an untenured faculty member or community researcher whose scholarship is making a positive impact in the area(s) of health.
- Claude Kantner Fellow (2008-2009). Ohio University fellowship for dissertation research.
- Outstanding Graduate Research Assistant Award (2007-2008). Ohio University, School of Communication Studies.
- Outstanding Thesis Award (2005). School of Communication at Illinois State University.

Teaching Awards

University Teaching Awards

- Harshini de Silva Graduate Mentor Award (2022-2023). Awarded to a full-time member of the graduate faculty who evinces these qualities of outstanding graduate mentoring
- The Bonnie E. Cone Early-Career Professorship in Teaching (2015-2018). Recognizes a faculty member who has exhibited excellence in teaching early in his or her career
- Faculty Recognition at UNC Charlotte's 49er Football Game (Fall 2017)
- Faculty Appreciation Reception and Appreciation: Faculty recognized by ten or more graduating seniors as having made the most significant, positive contribution to their academic career (Spring 2012-2013 when the program began); 2013-2014; 2017-2018)
- College of Liberal Arts and Sciences, Office of Parent and Family Services Outstanding Professor Award, Fall 2011
- Nominated for "Outstanding New Advisor" by Health Communication Club Student Organization, University of North Carolina at Charlotte, April 2010

- Top-ranked Teaching Assistant, Winter 2005, Ohio University

Scholarship

Academic Book

- Johnson, B., & **Quinlan, M. M.** (2019). *You're doing it wrong! Mothering, media, and medical expertise*. Rutgers University Press. (Women's and Gender Studies)
Well-reviewed in specialized national journals that address the content of the book: *Women & Language and Rhetoric of Health & Medicine*^{1 23}

*Double-blind Peer Reviewed Journal Articles*⁴⁵⁶

- Johnson, B., **Quinlan, M. M.**, & Curry, A.* (2024). Snacks, smoothies and fitspo: The historicity of TikTok postpartum bounce-back culture. *Medical Humanities*.

Grants

Internal Grants Under Review

External Grants Under Review

Limited Submission Competition: HRSA Maternal and Child Health Leadership, Education, and Advancement in Undergraduate Pathways (LEAP) Training Program
Descriptive title: Diversifying the Emerging MCH Workforce to Bolster the Health Equity and Well-being of Underserved Mothers and Children
Role:

External Grant Funding

Organization for Research on Women and Communication (ORWAC) (2015)

Title: Practitioner-patient communication: Women's experiences with reproductive endocrinology

Role: Co-PI with Professor Bethany Johnson

Awarded: \$1,000

The goal of this project was to complete a qualitative study examining practitioner-patient communication during reproductive endocrinology in infertility treatment. This grant extended a previous grant and allowed us to widen our participant pool to include the LBGTQ community, including lesbian and transgender couples in treatment.

National Institutes of Health (NIH)/National Institute of Mental Health (NIMH) (2011-2012)

Title: Using a community-based participatory research approach to examine family support

Award 1R21MH083088-01A

Role: Qualitative Research Investigator

PIs: Drs. Ryan Kilmer and James R. Cook, Psychology, UNC Charlotte

Paid: \$5,400

UNICEF History of Programme Communication (2007)

Role: Qualitative Research Evaluator,

PI: Dr. Arvind Singhal, University of Texas at El Paso

Paid: \$1,000

National Council on Aging (2006-2007)

Title: Predictive Potential and Pragmatic Utility of the NCOA—Green House Diffusion Tool

Role: Qualitative Research Evaluator Contract

PI: Dr. James W. Dearing, Kaiser Permanente

Paid: \$2,000

Internal Funded Grants

Ignite for Centers, Division of Research (2023-2024)

Title: Center for Community-engaged Arts and Design Research (CADRe)

Personnel: Beth Murray, Candace Miller, Carlos Cruz, Jaclyn Piatak, Janaka Lewis, Margaret Quinlan, Meg Whalen, Nadia Anderson, Vaughn Schmutz (PI)

Requested: \$60,472

Awarded: Partial funding (\$15,000 for year 1)

CLAS Research Request (2023)

Title: Memorable messages about fat Black bodies before, during, and after pregnancy

Request: \$1,000

Co PI: Erin Basinger and Margaret Quinlan

Faculty Research Grant (2018-2019)

Title: *You're Doing it Wrong! Mothering Discourses, Social Media, and the History of Medical Expertise*. Funding to complete research for and drafting of a book as well as the web-hosting for book companion website

PI: Dr. Margaret M. Quinlan; Co-PI: Professor Bethany Johnson

Awarded: \$5,970

College of Liberal Arts and Sciences (CLAS) Speaker Funding (2017-2018)

Title: *Fertility for colored girls: Debunking racial myths by narrating stories of (in)fertility*. Funding for Rev. Dr. Stacey Edwards Dunn's public presentation, panel discussion, filming session, and interview.

Co-PIs: Dr. Margaret M. Quinlan & Professor Bethany Johnson

Awarded: \$1,350

College of Liberal Arts and Sciences (CLAS) Small Grant (2016)

Title: *Greetings in the Gap: Patient-generated support messages and emotional support for fertility patients*. Funding to analyze our 173 responses to survey data collected Summer 2016 from individuals who received infertility treatment. The research culminated in the exhibit The ART of Infertility, Chapter 2 of our book manuscript, and a future peer-reviewed journal article.

Co-PIs: Dr. Margaret M. Quinlan & Professor Bethany Johnson

Awarded: \$1,500

Faculty Research Grant (2014)

Title: *Practitioner-patient communication: Women's experiences with reproductive endocrinology*. Funding to complete a qualitative study examining practitioner-patient communication during reproductive endocrinology in infertility treatment. The interviews with 24 heterosexual, cis-gender females culminated in two published articles as well as two in press and another under review.

Co-PIs: Dr. Margaret M. Quinlan & Professor Bethany Johnson

Awarded: \$6,000

UNC Charlotte's Chancellor's Challenge Fund (2012)

Title: *Gender communication speaker series: Topics in LGBTQ sexuality and women's health*. The funding supported two colloquiums speakers: Dr. Tasha Dubriwny (Texas A&M) and Dr. Tony Adams (Northeastern University, IL)

Co-PIs: Drs. Jillian Tullis & Margaret M. Quinlan

Awarded: \$5,000

UNC Charlotte's Chancellor's Diversity Mini-Grant Proposal (2011)

Title: *Understanding and transforming through discourse*. The funds supported two colloquia at UNC Charlotte: Collaborative witnessing in oral histories and Holocaust testimonies with collaborators Drs. Carolyn Ellis and Art Bochner, University of South Florida.

Co-PIs: Drs. Christine Davis & Margaret M. Quinlan

Awarded: \$1,000

Additional support from the Center for Applied Ethics and Center for Graduate Life, \$1,000.

Faculty Research Grant (2011). *Qualitative research evaluation in UNC Hospitals, Chapel Hill, NC. Patients' experiences with "DooR to DooR," an arts program in a hospital setting.*

PI: Dr. Margaret M. Quinlan

Awarded: \$6,000.

UNC Charlotte's Chancellor's Diversity Challenge Fund (2010). *Dancing Wheels Company: Diversity in motion.* Funds brought the Dancing Wheels Company and School to the UNC Charlotte campus.

PI: Dr. Margaret M. Quinlan

Awarded \$4,368. Also supported by Disability Services, \$1,000.

Research Grant (2008-2009). Awarded by the Ohio University School of Communication Studies to conduct dissertation research

PI: Margaret M. Quinlan

Awarded: \$1,500

Research Grant (2007-2008). Awarded by the Ohio University School of Communication Studies to conduct research on diversity narratives,

PI: Margaret M. Quinlan,

Awarded: \$200

Research Grant (2006-2007). Awarded by the Ohio University School of Communication Studies to conduct original research on women's gynecological health

PI: Dr. Margaret M. Quinlan

Awarded: \$350

External Unfunded Grant Submissions

National Library of Medicine, Grants for Scholarly Works in Biomedicine and Health, PAR-16-417, G13 (Resubmitted, February 2018)

Title: *You're Doing it Wrong!: Mothering Discourses, Social Media, and the History of Medical Expertise*

Role: Co-PIs: Professor Bethany Johnson & Dr. Margaret M. Quinlan; requested \$150,000 across three years

National Endowment of the Humanities (NEH) Collaborative Grant (2018-2019)

Title: *You're Doing it Wrong!: Mothering Discourses, Social Media, and the History of Medical Expertise*

Role: Co-PIs: Professor Bethany Johnson & Dr. Margaret M. Quinlan; requested \$98,700 for one year
Submitted a draft for feedback by October 2017; Submitted in January 2017

National Library of Medicine, Grants for Scholarly Works in Biomedicine and Health, PAR-16-417, G13 (2017)

Title: You're Doing it Wrong! 150 Years of "Experts" Regulating the Life-Cycle of Early Motherhood

Role: Co-PIs: Dr. Margaret M. Quinlan & Professor Bethany Johnson; requested \$150,000 across three years

Organization for Research on Women and Communication (2017)

Title: You are Not Alone: Communicating Social Support for Infertility Patients

Role: PI: Dr. Margaret M. Quinlan; requested \$1,000

The 2015 Annemarie Opprecht Parkinson Award Sixth Edition

Title: Parkinson patients as partners in care

PI: Dr. Mark Hirsch, CMC

Co-PIs: Drs. Sanjay Iyer, CMC, Mohammed Sanjak, Danielle Englert, & **Margaret M. Quinlan**
requested 100,000 Swiss francs

Organization for Research on Women and Communication (2014)

Title: Practitioner-patient communication: Women's experiences with reproductive endocrinology

Role: Co-PI Dr. Margaret M. Quinlan & Professor Bethany Johnson; requested \$1,000

National Institutes of Health Transformative Research Award (R01) (2013)

Title: Increasing Physical Activity among Parkinson Patients in a Regional Network: The ParkPartner Trial

Role: UNC Charlotte PI with PI: Dr. Mark Hirsch, Research Scientist, Carolinas Rehabilitation
Requested \$500,000 across 5 years. \$68,000 to cover my time and a Ph.D. student's stipend

Council for Children's Rights/ Larry King Center (2012)

Lead focus groups with caregivers and advocacy groups about the Medicaid Waiver transition in Mecklenburg County, NC. Project completed and report written, funding from county not granted

PIs: Drs. Ryan Kilmer & Jim Cook

Role: Qualitative Research Investigator

Paid: \$1,000

Duke Foundation (2010-2011)

Title: Power over Parkinson's: The experience of community-based exercise for people with idiopathic Parkinson's disease

PI: Dr. Mark Hirsch, Research Scientist, Carolinas Rehabilitation

Role: Qualitative Research Investigator

Internal Unfunded Grant Submissions

Chancellor's Diversity Challenge Fund (2017)

Title: *#infertilitysucks: Patient-generated support cards for (in)fertility patients.*

PI: Dr. Margaret M. Quinlan; requested \$5,000

Funded Travel Grants

Student Scholarship (2007) to attend National Communication Association annual conference, Terry Conry and Lynn John Student Conference Award from Ohio University School of Communication Studies.

Student Scholarship (2007) to attend CORE group meeting in Easton, MD from Ohio University School of Communication Studies.

Student Scholarship (2007) to attend Entertainment-Public Health Summit at the Rollins School of Public Health in Atlanta, GA from Ohio University School of Communication Studies.

Student Scholarship (2007) to attend the Leadership Learning Community Health workshop in Napa Valley, CA, covered costs of airfare and hotel, from Ohio University School of Communication Studies.

Student Scholarships (2004) to attend the Basic Course Directors Conference, St. Louis, MO from Ohio University School of Communication Studies.

External Grant Funding in Progress

**National Institutes of Health, Department of Health and Human Services
Feasibility Clinical Trials of Mind and Body Interventions for NCCIH High Priority Research
Topics (R34 Clinical Trial Required), PAR-18-417**

Specific Aim 1: Adapt the *Body Kindness* self-help guide for delivery as GSH with online peer support for the Be Mind-Body Kind After Baby intervention.

Specific Aim 2: Conduct a preliminary evaluation of the feasibility and acceptability of the Be Mind-Body Kind After Baby PS-GSH intervention.

PI: Dr. Jennifer Webb, Psychological Sciences

Role: Qualitative Expert

Plan to Submit: Fall 2021

Internal Grant Funding in Progress
